### KBR&C Named Best US Research and Consulting Firm for Financial Services

#### *Wealth & Finance International Announces 2014 Awards*

**CHAPEL HILL, NC, OCTOBER 28, 2014:** London-based *Wealth & Finance International* has cited Kehrer Bielan Research & Consulting as the Best Research and Consulting Firm for Financial Services – US in its 2014 Wealth & Money Management Awards.

The Wealth & Money Management Awards recognize the achievements of those working within the investment and financial services community—from asset managers, wealth managers, private bankers, and financial planners to brokers, banks, family offices, financial advisory firms, and consultants. The awards pay homage to the leading professionals in the industry for going above and beyond in assisting their clients.

*Wealth & Finance* has welcomed nominations for firms throughout the globe, from very small niche practices to large corporations, and has ensured that those who do go on to win one of these highly sought-after awards have been selected on merit based on the votes received, the further evidence supplied, and its own in-house research.

“We are gratified by this recognition,” commented Dr. Kenneth Kehrer, a principal of KBR&C. “Each member of our team contributed to building the firm’s reputation, and we all take pride in what we have accomplished.”

“This award affirms our unique combination of independent research and consulting. We are pleased that the industry continues to acknowledge our commitment to our clients,” added Peter Bielan, another principal.
